HC DrugFree: Keeping Howard County *in the KNOW!*
...knowledge is power, so just say KNOW

We Can't Wait to See You on Saturday!

Stand with Us to Protect Your Loved Ones

Most people who misuse prescription drugs get them from family, friends, and acquaintances.

You can make a difference in the lives of your loved ones by keeping track of your prescription and over-the-counter medication, by rethinking where and how you keep your medication in your home, and by safely disposing of any expired or unwanted medication.

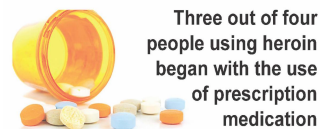

Give Us Your Meds & Sharps!!!

We look forward to seeing you on Saturday (tomorrow, October 23) at our semi-annual DRIVE-THRU medication and sharps disposal event!

Reminder - We are accepting the following items:

- Prescription Medication

- Over-the-Counter Medication
- Vitamins
- Pet/Veterinary Medication
- Sharps (Epi-Pens, Needles, Syringes, etc.)
- Vape Devices (with batteries removed)
- Inhalers

Three out of four people using heroin began with the use of prescription medication
